Chabad Hebrew School Parent Handbook

Dear Parents,

Welcome to Chabad Hebrew School!

This booklet is designed to help maximize your child's Hebrew School experience. We are pleased that you have chosen our school for your child's education. We are thrilled that our school has expanded with so many new students. We are committed to providing your child with a Hebrew School experience that will be enjoyable, inspiring, and provide warm memories for a lifetime. Our innovative methods are geared to foster creativity and support your child's personal style of learning. The year ahead promises to be full of exciting learning; highlighted with arts and crafts, drama, stories, games special extra-curricular activities.

Hebrew School Hours & Location

Hebrew School is located at the Chabad Center in Chester, 1170 Route 17m, Suite 1, Upper level entrance, Chester. The Sunday class meets from 10:00am-12:15pm. The Monday class meets from 4:00-6:15pm. Please refer to our Hebrew School

Calendar for dates of classes and events. We urge you to arrange for your children to be prompt and arrive on time. We ask that conversations with teachers be reserved for before or after school hours, except in the case of emergency.

Attendance

Regular attendance is crucial in accomplishing the goals of our educational program. There is direct correlation between attendance and achievement, interest and attitude. Furthermore, coming late and leaving early disrupts the classroom atmosphere and disrupts your child's

classroom routine. Your support of our attendance policy will be greatly appreciated.

Absence

It is important that you contact us if your child will be absent or late.

You may do so either by calling 845-782-2770 or emailing HS@ChabadOrange.com. In case of a student's absence for any length of time due to illness or vacation, arrangements

should be made for obtaining the material covered in class as well as class homework.

Parent/School Communication

Communication between parents and our staff is very important to ensure that your child's Hebrew School experience continues to be a pleasant and positive one. Should you have any questions or concerns regarding your child's class or

progress; we encourage you to contact your child's teacher.

Hebrew School Email List & Updates

To enhance our parent/school communication, Hebrew School communication (updates, cancellations, reminders and events etc.) will be via e-mail. **Please make sure that we have your email address on file.** Also, kindly make sure that our emails do not go to your spam folder. (For those who do not have

email or wish to use email, please let us know your preferred method of communication.)

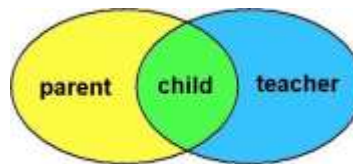

Updates will be posted online and communicated by email. Please check our website periodically. Also, enjoy viewing your children in Hebrew School on our continuously updated photo gallery.

Behavioral Expectations

At Chabad Hebrew School we strive to create an atmosphere that reflects our traditional Jewish values. Our students understand that respect for teachers; respect for each other and each other's property is essential for a successful learning environment. We expect all rules for student behavior to be complied within class as well as during school events.

Parent Involvement

We believe that parents should take an active part in their child's Jewish education. Volunteering to help organize extra-curricular activities, encouraging your child to

complete homework and bringing your child to Chabad's enriching holiday events will enhance your child's Jewish education. If you have a special talent you would like to share with your child's class, please notify the Chabad office.

Extra-Curricular Activities

Several times a year Chabad Hebrew School will enjoy special extra curricular events. These events are mandatory for the students, as they are educational and are designed to enhance classroom learning. Parental involvement is crucial for the success of these programs. Events will be announced at the beginning of the school year and are subject to change.

Staff

Chabad Hebrew School is directed by Rabbi Pesach and Chana Burston who have had many years of experience in childhood education. Rabbi Pesach and Chana, assisted by the Hebrew School staff, will be conducting special activities for the students throughout the year and will be available to answer questions or discuss issues pertaining to your child. The teachers are handpicked for their warmth and dedication to provide you child with a creative and exciting Jewish experience.

Tzedakah

Tzedakah (charity) is a concept that is basic to Judaism. Our school attempts to develop a commitment among our students to share with others less fortunate than themselves by donating a few pennies a day to charity. Parents are asked to provide children with a coin for Tzedakah.

Snacks

A snack and drink is provided for your child during Hebrew School hours. If your child is allergic to any food or beverages, please be sure that it is written down on his/her registration form.

Birthdays

If your child is celebrating a birthday you may send in a special snack to share with the class. The snack should have a kosher symbol and be parve (not dairy). Please notify Chana if you will be bringing in a birthday treat. You may also sponsor a birthday treat with advance notice and the Chabad Staff will purchase the snack.

Bringing a Friend

Students who wish to bring a Jewish guest/friend to school can do so gladly, provided that you give the school advance notice and that the guest understands that he/she must respect the school's system and regulations. Chabad offers significant referral discounts for encouraging a new student to register.

Homework (aka Funwork)

We will be sending home light and fun homework assignments. Students are expected to complete all homework assignments accurately and promptly and have a parent sign their homework, which is to be brought in the following session. Students should practice reading on a regular basis from texts or other material used in class.

It is of utmost importance that you encourage your child to complete his/her homework assignments. Your positive reinforcement is of great assistance in making the Hebrew School experience work for your child. Please send in a folder that will be used to keep all homework assignments.

This year Chabad Hebrew School has designed a homework assignment book to help students and parents keep track of assignments. Weekly homework for First Taste Students will include Aleph-Bet worksheets and a Mitzvah Mission. Homework for students 7-13 will include Adventure Through Torah worksheet, Aleph Champ review, and our new Yediyut Klalliot (General Knowledge) curriculum.

Shabbat Journey will be held the first Saturday of every month from 10:30am-12:00pm. All Hebrew School children are expected to join this program. Younger students can enjoy interactive Shabbat games, Jewish stories, Shabbat songs, and a taste of the Synagogue. A special Shabbat treat will be served.
